2020/21 School Circular No. 11

30th October, 2020

Dear Parents,

Applied Learning Chinese Course for NCS students

In order for non-Chinese speaking (NCS) students to obtain an alternative Chinese language qualification to enhance their further studies and employability, we highly recommend the ‘Applied Learning Chinese’ (ApL(C)) course to our Form 4 students. This course is regulated by the Education Bureau and provided by local tertiary educational institutions. The content of ApL(C) focuses on the practical use of Chinese in daily life and work environments while improving the four skills of reading, writing, listening and speaking. The details are as follows:

Name of course	Applied Learning Chinese course
Course providers	SPEED, The Hong Kong Polytechnic University (school recommended)
Course duration	Around two years, starting from Form Four 2 nd semester through Form Six 1 st semester
Venue	PolyU Hung Hom Bay Campus
Date	Mainly on Saturdays
Time	Pending announcement
Fee	HKD 43,500. NCS students enjoy a full subsidy offered by the Education Bureau
Recognition of Qualifications	Most post-secondary institutes accept ApL(C) as an alternative qualification in Chinese Language for the admission of NCS students with ‘Attained’ as the minimum grade required. And the Civil Service Bureau accepts ‘Attained’ and ‘Attained with Distinction’ in ApL(C) as meeting the Chinese language proficiency requirements of relevant civil service ranks.

If your child is interested, please sign **the Reply Slip and Student Agreement Form** and return them to school **on or before 6th November, 2020**. The Education Bureau will then arrange **an online taster programme on 7 November (Saturday) 10:30am-12:00pm** for your child before the whole course officially begins. If you need further information, please feel free to contact Vice Principal Ms. Sharon Lo at 2551 8285 during office hours.

Yours faithfully,

Mr. K B Chan
