EB Online Interactive English Programme

Dear Parents,

To help students strengthen their listening, vocabulary, speaking and reading skills and better prepare for the HKDSE, our English Department will enable **EB Online Interactive English Learning Programme** for each of our students this year.

EB is developed according to the Curriculum Guidelines for Key Stage 3 of EDB. It combines advanced interactive teaching methods to address students' learning needs and develop their interest and English ability. EB is widely used by secondary schools in Hong Kong.

This programme consists of integrated listening, speaking, vocabulary, and reading exercises, as well as the question types and topics of the HKDSE English exam. It helps improve students' English proficiency and exam results. Students can set their own learning targets and select the modules they want to learn. EB can be run on all platforms through HTML 5 (PC, Mac, iOS and Android). Students can use EB easily in any mobile devices on web browser.

To install **EB** Mobile

To promote independent and lifelong language learning, Certificates will be awarded to students with outstanding performance at the end of the year. Please encourage your child to make good use of this e-learning platform, do the exercises regularly every week so to develop a habit of self-directed learning.

The programme will run from now to 30 June 2021. If you or your child has any enquiries about EB, please feel free to call Wiseman Education on 3188 2600, or send an email to eb@wiseman.com.hk. You or your child may also contact the school English panel head, **Miss Rachel TSUI**, for further enquiries.

Yours faithfully,

Mr. Stephen Li Tak-fai
Principal
