**COVID-19 Vaccination Programme – Vaccination Arrangements
for Primary and Secondary School Students**

12th Aug 2021

Dear Parents,

Vaccination at Community Vaccination Centre (CVC)

Arrangement has been made for your child/ward to receive the “Comirnaty” vaccine from Fosun Pharma/BioNTech at the Ap Lei Chau Sports Centre CVC at the time slots stated below. Would your child/ward please report to this school at the assembly time on the date, then go to the CVC with teachers for vaccination by school bus.

	Date and Time of Vaccination	Gathering Time at School
1 st Dose	18th Aug 2021, 9:45a.m.	9:00a.m.
2 nd Dose	8th Sept 2021, 9:45a.m.	9:00a.m.

Please read and note the following:

1. Please consult your family doctor on the suitability for vaccination, if necessary.
2. Comirnaty vaccine should be administered 14 days before or after another prophylactic vaccines.
3. **Please bring along the original identity documents.**
4. Please have breakfast/lunch on the vaccination day.
5. Please wear clothing / school PE uniform with easy access to the arm.
6. The vaccination normally takes around one hour, including waiting, listening to the information and resting.
7. In case of serious adverse event following the administration of the 1st dose of vaccine, please inform our school and consult the attending doctor or family doctor on the suitability for receiving the 2nd dose of vaccine.
8. If you are unable to receive vaccination according to the above schedules, please inform our school immediately for cancellation and make separate arrangements on your own.
9. If the vaccination service is cancelled because the Education Bureau or the Department of Health recommends that schools suspend face-to-face classes, the vaccination make-up arrangement will be separately notified.

As for the vaccination arrangements under inclement weather, please refer to the **Appendix**.

Teacher-in-charge: Ms YY Tse

Appendix

Vaccination Arrangements under Inclement Weather

Vaccination at Community Vaccination Centre

(I) Before Vaccination Starts

If an announcement of class suspension due to inclement weather has been made by the Education Bureau (EDB) on the day, the vaccination services for the same day will be cancelled.

Parents/guardians should keep themselves alert to the announcement of EDB through radio or television broadcasts. The COVID-19 Vaccination Programme will inform the schools of the vaccination make-up arrangement, and the schools will separately notify parents/ guardians.

(II) During Vaccination

- 1) Vaccination services in the CVC will remain normal under the Standby Signal No.1 and the Strong Wind Signal No.3. Transport arrangements will not be affected either. Nevertheless, primary schools, secondary schools and special schools will have to follow the class suspension arrangements under inclement weather promulgated by EDB, and the related vaccination services will be cancelled accordingly.
- 2) If a Pre-No. 8 Special Announcement issued two hours before Typhoon Signal No. 8 or above comes in force is issued by the Hong Kong Observatory (HKO) when vaccination is in progress, the vaccination services for school students will be stopped. The teachers would accompany their students to take the school bus and return to schools. Parents/ guardians can pick up their children/ wards from the schools.
- 3) If a Black Rainstorm Warning Signal is issued when vaccination is in progress, the CVC will suspend its vaccination services, but remain open to provide a safe shelter to those who have already arrived. The CVC will resume its vaccination services after the Black Rainstorm Warning Signal is cancelled.
- 4) If a Pre-No. 8 Special Announcement issued two hours before Typhoon Signal No. 8 or above comes in force is issued by the HKO while the students are travelling to the CVC by school bus, the school bus will return to the school and the vaccination services for that day will be cancelled. Parents/ guardians can pick up their children/ wards from the schools.
- 5) If the HKO issues a Red/Black Rainstorm Warning Signal while the students are travelling to the CVC by school bus, the schools should decide whether to continue the journey to the CVC or return to school in order to provide a safe shelter for the students. If the students are to return to school, the vaccination services for the same day will be cancelled. The schools will notify parents/ guardians to pick up their children/ wards from the schools after the warning signal is cancelled.
