F.4-F.5 Academic Enhancement Measures

Dear Parent/ Guardian,

To optimise your child's academic performance and prepare them for better results in HKDSE, the school is implementing several measures. The arrangements are as follows:

1. After-school Tutorials (8-31 Apr)

The tutorials are scheduled from 8 April (Mon) to 31 May (Fri), across from school week 25 to 32. All tutorials will be cancelled when there is a holiday or clash of other event. Please refer to the timetable attachment.

2. Post-exam Tutorials (18-21 Jun & 9-12 Jul)

Post-exam tutorials will take place in between 18-21 Jun and 9-12 Jul. More information will be released later.

All F.4 and F.5 senior form students **MUST** attend the above tutorials. A medical letter or parent's letter should be submitted to the class teacher for any absence.

It is important to note that the last school day is 17 July 2024. Students are not allowed to start their summer holiday early without the permission of school. If students are absent from post-exam activities or tutorials, their promotion will be affected.

Please remind your child to be punctual and attend all tutorials to strengthen their academic results.

Yours faithfully,

Mr. LI Tak-fai, Stephen
Principal
