Exam Feedback, Post-Exam and Summer Activities 2020-21

Dear Parents,

Although this school year is coming to an end, students' learning will continue. After the Final Exam, students will have more opportunities to enrich their learning experience through outdoor activities. The school will have Exam Feedback and Post Exam Activities starting from 25th June. Details of the activities can be found in the attachment.

Students of different classes and groups should attend the activities on time. If they cannot attend any of the activities, they must submit their parent's letter to their class teachers or teachers-in-charge. Some activities are open to all students. Interested students can contact the teachers-in-charge for details and enrolment.

The summer vacation will start from 15th July and various summer activities will begin since then. Students should note the announcements made by the school concerning the summer tutorial classes, other summer activities and attend the relevant activities on time.

Note: Parents will be notified of every school activity through parents' letters or the Student Handbook.

Yours faithfully,

 Mr. Stephen LI, Tak-fai
Principal
