Dear Parents/Guardian,

Ordering Calculator (Mathematics)

To enhance the effectiveness of mathematics learning and meet curriculum requirements, students are required to bring their own calculator to mathematics classes. Our school will arrange a collective purchase of calculators suitable for public examinations for those students in need. The details are as follows:

Brand	Model No.	Discounted Price	Remark
CASIO	FX-50FH II	\$300	User-Defined Program
	FX-3650P II	\$270	Built-in Calculus Program Suitable for High School M1 & M2

Please sign and return the attached reply slip by Friday, October 3, to the mathematics teacher, so that the school can arrange for the collective purchase. Payment will be made in cash. Parents may also choose to purchase a suitable model of the calculator on their own; please ensure that the calculator has the "Approved for Use by the Examination Authority" label. For any inquiries, please contact Mr. Chan Chi Kit from the mathematics department at 25518285.

Yours faithfully,

Mr. Li Tak-fai, Stephen
Principal

Humility; Service; Love

To: Principal of Yu Chun Keung Memorial College No.2

I have read the School Circular No.010 and acknowledge the arrangements concerning the Ordering Calculator (Mathematics). I will ensure that my child brings a calculator to mathematics classes, and I would like to:

- ☐ Request the school to order one "CASIO FX-50FH II" calculator.
☐ Request the school to order one "CASIO FX-3650P II" calculator.
☐ Purchase a suitable model of the calculator on my own.
