2025/26 School Circular No.003

3 September 2025

Dear Parents/Guardian of F.6 Students,

F.6 After-school Tutorial Classes (2025-26)

We are pleased to inform you that regular after-school tutorials will be scheduled for our Form 6 students. These tutorials are designed to equip students with the necessary skills and knowledge to excel in the HKDSE and enhance their overall academic performance. The tutorials will commence in week 3, starting from 15 September 2025. Please refer to the attachment for details of arrangements.

Attendance Policy

It is mandatory for all Form 6 students to attend these scheduled tutorials. Attendance will be recorded, and any absence without prior school approval or due to illness will be considered truancy. According to our school policy, students are required to attend the after-school tutorials unless they are unwell or representing the school in competitions.

Please note that all training or sporting events should take place after the completion of the tutorials.

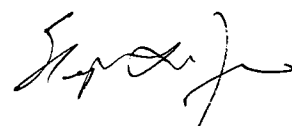

Absence Verification

If students are unable to attend a tutorial, they must provide a doctor's note or a letter from a parent. Additionally, class teachers will contact parents to verify any absences.

We believe that these tutorials provide a valuable learning experience and are crucial for our students' academic growth. We encourage all Form 6 students to make their best effort to participate fully.

Should you have any questions or require further information, please do not hesitate to contact Ms. Rachel Tsui, our Assistant Vice-Principal, at 2551 8285. Thank you.

Yours faithfully,

Mr. Li Tak-fai, Stephen
Principal
