Dear Parents,

School Picnic Day (Update)

In addition to formal classroom learning, our school also provides students with a variety of learning experiences this year. In this regard, we will hold a School Picnic Day on **17th October (FRI)**, with the aim of enhancing friendship and teacher-student relationship, fostering the harmonious school atmosphere, and cultivating positive values such as love and solidarity among students.

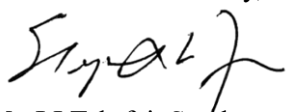

Students are required to attend the activities decided and arranged by their own classes on the School Picnic Day, and to follow the instructions of the accompanying teachers, details of which can be found in *Appendix I: Activities for each class on the School Picnic Day* at the back of the circular. As the School Picnic Day is an official school day, all students are required to be punctual for the relevant activities and must observe the following requirements:

Dress Code	- Students are allowed to wear comfortable and lightweight tops and trousers, which should be simple in style. - Students should wear suitable sports shoes, but not high heels, thick-soled shoes or slippers. - No make-up should be used. - Be aware of the weather conditions and prepare sunscreen, rain gear and mosquito repellents for outdoor activities.
Remarks	- Do not bring along a large amount of money. Students should take good care of their personal belongings. - Mobile phones are for emergency contact purposes and students should follow teachers' instructions before using them during the outing. - Students should pay attention to personal safety, and they are not allowed to engage in any water activities, climbing, cycling, etc. - Students are not allowed to leave the group without the teacher's permission. - In case of accidents or discomfort during the programme, students must inform the teacher as soon as possible. - Students must be self-disciplined and maintain good manners. They must not take part in any gambling activities; they must pay attention to their behaviour and speech, and consciously maintain the good image of the school and themselves. - Students should follow the instructions of teachers and venue staff to keep the place tidy and in good order. - The trip will be cancelled in case of class suspension by Education Bureau. In case of bad weather conditions that make outdoor activities inappropriate, the school will arrange other indoor activities, and the dismissal time will be 12:30 p.m.

Notes:

Students who are not able to join the picnic due to health concerns **must call the school office before 8:15 a.m. on that day** to apply for absence and submit a letter of absence and a medical certificate to the class teachers on the first day of the resumption of classes. Those who are unfit to join the picnic must submit a written application to the class teachers by **16th October (THU)** and **return to school for revisions on the that day**, which lasts **from 8:15 a.m. to 12:30 p.m.** Failure to return to school on time and absence from school will be regarded as tardiness or truancy and will be referred to the Discipline Group for further punishments. Please urge your children to read and follow the above requirements carefully so that the trip can be a pleasant and smooth one. If you have any enquiries, please feel free to contact Assistant Vice-Principal, Ms Avis TONG.

Yours Faithfully,

Mr. LI Tak-fai, Stephen
