2025/26 School Circular No.2

1<sup>st</sup> September 2025

Dear Parents,

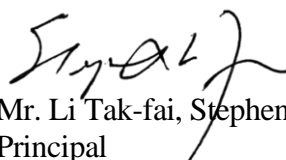

**Bringing Mobile Phones to School**

While we recognise that many students own mobile phones, our school provides telephones for students to contact parents during the school day. For urgent matters, we also recommend that parents call the school office directly, as this is the most reliable way to ensure your child receives the message promptly.

If you wish for your child to bring a mobile phone to school for communication after hours, an official application must be submitted and approved by the school. For students who are granted permission, strict adherence to the following rules is mandatory:

1. **Storage:** Upon arrival, phones must be turned off completely and stored in the designated phone cabinet. Students must use their own lock to secure their device. Phones may be retrieved at the end of the school day before leaving.
2. **No In-School Use:** The use of mobile phones during school hours is strictly prohibited. Any violation of this rule will result in a black mark.
3. **No Recording or Messaging:** Taking photos, recording videos, or using messaging apps on school grounds is forbidden without explicit permission from a staff member.
4. **Device Value:** We strongly advise against bringing expensive devices to school. Phones are permitted solely as communication tools for after-school use, and the school cannot be responsible for loss, theft, or damage.

Yours faithfully,

  
Mr. Li Tak-fai, Stephen  
Principal
