Dear Parents,

Election of PTA Executive Committee 2025/26

We, the parents of YCK2, believe that school education should not only emphasise the imparting of knowledge, but also attach more importance to the all-round and balanced development of students. Schools should cultivate students' interest in learning, help them to master their study skills, and expose them to diversified learning experiences with a view to their achieving 'lifelong learning and holistic development'. With this view in mind, parents are the best partners of the school in educating students.

Over the past few years, we have been supporting and helping the school in organizing a variety of activities like in Southern District Secondary Schools Presentation, Parent-Child Activities, and Parent Volunteers. In addition to organizing activities, we have in various ways funded the teaching facilities and students' co-curricular activities. We have also established scholarships and grants to encourage students to study hard.

The continued development of the PTA depends on the vision of the Executive Committee. The term of service of the Executive Committee in 2024/25 expired at the beginning of the new school year. The newly elected Executive Committee for 2025/26 will be appointed at the upcoming Annual General Meeting of the PTA on 23rd November 2025(Sunday). We are now inviting parents to become candidates for the Executive Committee in 2025/26 to jointly plan and promote the work of the PTA. Please, do consider joining the PTA. Thank you for your support! If you have any questions, please contact Miss Lenna Chu on 2551 8285.

Mr. Baljinder Singh
Chairman of the PTA (2024-2025)
