Dear Parents,

**Survey on S.3 Students' Preference of S.4 Applied Learning Subjects**

The school is collecting information on students' preference for S.4 applied learning (APL) before deciding what subject to be offered. Students who do not prefer taking M2 should take up one applied learning subject.

Please scan the QR codes below and read through the programme details before you fill out this survey form and return it to the class teacher **before 18 May 2023 (Thu)** for preliminary statistics.

1. Western Cuisine (conducted in English)

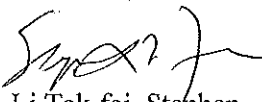

2. Aviation Studies (conducted in English & Chinese)

Parents should be aware that the school will make the final decision on offering what applied learning subject according to the school's development needs. For any inquiries, please contact our Academic Committee Head, Ms. Tsui Chi Pong Rachel. Thank you.

Yours faithfully,

  
Li Tak-fai, Stephen  
Principal
